

Right now there are kids down
the street who have rotting teeth.
You can do something about it.

The **VERONA SMILES INITIATIVE**
is a collaborative between
Verona area dentists,
Verona schools, and the
Bridging Brighter Smiles Program.

WHAT YOU CAN DO:

- ✓ Do comprehensive and periodic exams in neighborhood schools.
- ✓ Treat local students in your office.
- ✓ Accept emergency referrals from schools in your neighborhood.

Every child deserves a healthy smile!

To learn how the initiative works,
get answers to FAQs, and help ensure that
any kid in Verona who needs dental care gets it,
visit www.Hometownsmiles.org
or call [Dr. David Gundersen \(608\) 443-8986](tel:6084438986)
